**ACTING CHIEF OF POLICE
DUNCAN FOSTER**

Duncan Foster chosen new Chief at Coral Springs

Deputy Chief Foster has been named Acting Chief by City Manager Mike Levinson.

Chief Foster has been with the Coral Springs Police Department for 18 years, coming up thru the ranks, serving in every job from patrolman, motorcycle officer, to patrol commander and investigative operations as Deputy Chief.

He is a former Marine Sergeant, a graduate of the FBI Academy, and holds a Masters Degree in Public Administration.

City Manager Levinson will conduct a nationwide search for a permanent Chief. We, at the Broward County Crime Commission, hope the search will lead him right back to Chief Foster.

Retiring Chief Roy Arigo said he is leaving the department in good hands with Chief Foster.

The Broward County Crime Commission wishes Chief Foster all the best in his new position.

Veteran Chief Roy Arigo Retires

Chief Arigo joined the Coral Springs Police Department 28 years ago, serving the fifteen years as Chief. He leaves behind a legacy of outstanding achievements. His department has become a model of excellence within the Police community and is nationally accredited.

Roy said he is blessed to have served with so many dedicated officers and staff who are truly committed to serving the community in a professional manner.

He will be starting a second career with the Monroe County Florida Sheriffs office in the Naples area. Roy is deeply admired and respected by his peers and the community he served.

He leaves behind a department that is a national role model.
