- Send your child to camp dressed in camp appropriate clothes.
- Apply sunscreen to your child before bringing them to camp.
- If there is a water day we will notify you and your child should bring their swimsuit, swim shirt, water shoes, and towel to camp only on that day.
- Your child's backpack should include a water bottle and any other camp necessities.
- On field trip days (Friday), make sure your child's permission slip is signed and returned to the Main Office of the campus they are attending. Note where the field trip is to, and dress your child appropriately.
