**Welcome Message:
Broward County Crime Commission
School Resource Officer (SRO)
Awards Breakfast –
Tuesday, December 16th, 2014**

The Broward County Crime Commission welcomes you to the 2014 School Resource Officer (SRO) Awards Breakfast! Annually, the Crime Commission takes great distinction in honoring and celebrating select men and women who stand out as ‘difference makers’ within the Criminal Justice System.

Perhaps, more than ever before, the modern day SRO has to deal with greater ancillary duties, threats, and risks that were not prevalent 25 years ago. In January of 2014, the F.B.I. conducted a study, from 2000 to 2012, documenting a steady rise in the number of “Active Shooter Events”. The second most episodes, approximately 29 per cent, occurred in schools K-12 and institutions of higher learning.

These are issues that much of society cannot even begin to fathom. Yet, everyone here today is vigilantly aware of these risks, and diligently works to protect and serve as model first responder’s.

Moreover, when SRO’s are integrated into a school setting, the benefits go well beyond the acts of policing and protecting. SRO's are mentors, counselors, and relationship builders to the students with which they interact. In many ways SRO’s are an inspiration and positive role model for much of the youth on campus.

Therefore, today, December 16th, 2014, the Broward County Crime Commission will recognize and praise a host of deserving individuals: *a Pioneer, a Community Service Stalwart, and 23 fine men and women who will garner the prestigious title of School Resource officer of the Year for their respectable police municipality or BSO district.*

For this I say...."CONGRATULATIONS TO ALL OF YOU!!"
James DePelisi, President
Broward County Crime Commission

School Resource Officer (SRO) Awards Breakfast Keynote Speaker

Judge Elijah H. Williams, 17th Circuit Court:

The Honorable Elijah H. Williams is a Circuit Court Judge, for the 17th Judicial Circuit, Broward County, Florida. Judge Williams was Born and raised in Fort Lauderdale, Florida, where he attended Walker Elementary School, Broward Estates Elementary School, Parkway Middle School and South Plantation High School (1972 – 1976) in Broward County, Florida.

In 1976, at the age of 16, Elijah entered the University of Florida, Gainesville, Florida. He earned a Bachelor of Arts degree in Political Science in 1980. Upon winning a \$26,500 graduate fellowship, he entered both the University of Florida's graduate program and law school concurrently and was awarded a Master of Arts degree in Political Science/Public Administration and a Juris Doctorate degree in August 1983. Six months later, he was admitted to the Florida Bar.

In October 1984, he was commissioned as a Captain in the United States Air Force and was assigned to the Staff Judge Advocate General's Department and sent to Lowry Air Force Base, Denver, Colorado. While stationed at Lowry AFB, he served primarily as the Chief of Preventive Law/Legal Assistance. In October 1986, he was reassigned to RAF Bentwaters, England. For the initial six months of the tour, he served as the Chief of Civil Law. In March of 1987, he became the Chief of Military Justice. In this position, he managed the military justice program for the largest tactical fighter wing in the USAF and served as a prosecutor at court-martials and a government representative at administrative discharge boards. In March 1988, Captain Williams authored the lead article for the United States Air Force Law Reporter ("DNA Fingerprinting – Into the 21st Century"). In 1989, he was selected to be the Area Defense Counsel. This was a prestigious position, which entailed constant travel across the European continent defending military members accused of major crimes. Additionally, for a three (3) year period, Captain Williams was an Adjunct Assistant Professor for both Embry-Riddle Aeronautical University and the University of Maryland. As such, he taught two college legal courses each term.

Also, in 1989, Elijah won a Toastmaster's International regional speech contest and was selected as one of Great Britain's ten (10) best public speakers.

In July 1990, Captain Williams resigned from the United States Air Force and was appointed an Assistant State Attorney in Broward County. As a result, he prosecuted criminals for offenses ranging from DUI to 2nd degree murder. He left his position as a prosecutor in December 1992, and was hired by the Law Firm of Whitelock, Soloff and Rodriquez in January 1993, to serve as an assistant General Counsel to the Sheriff of Broward County. He was made a partner in the law firm on January 2, 1995.

On May 1, 1998, Elijah Williams transitioned into the Broward Sheriff's Office as an employee and managed, in an interim status, the Legal and Risk Management Departments. In that capacity, he managed a staff of twenty (20) people, to include six (6) attorneys.

In November 2001, Elijah applied to become a circuit judge and was one of many attorneys seeking to fill a judicial vacancy. As one of six nominees selected by the Judicial Nominating Commission, his name was forwarded to Governor Jeb Bush. On March 1, 2002, Governor Bush appointed Elijah Williams to Broward's Circuit Court. Judge Williams presided over adult felony criminal cases for a period of four (4) years. On April 3, 2006, Judge Williams assumed his current division, where he presides over juvenile delinquency cases.
